READERS, TAKE ACTION!

Good readers are active readers. As they read, good readers think about what is important, ask themselves questions, and try to find answers. They make predictions and visualize in their mind what is happening in the story. Select a book or story and try using some of the techniques from the **Mark, Ask, Predict,** and **See** process as you read.

MASTERY

INTERPERSONAL

Mark the Page

As you read, *underline*, *circle*, or *highlight* the ideas, details, and vocabulary words you think are important.

(Use sticky notes if you are not able to write directly on the text you are reading.)
